POKER

Poker 的设计将一种稳定舒适的气质赋予在这款升降桌中。包围式的片脚，通过流畅的转角圆弧，将桌脚隐藏在整体的盒子内，从而带来简练的整体及流 畅感。而片脚的整个平面也为定制化设计预留出了 各种可能，让使用者可以创造出属于自我定义的一款产品。

Poker's design imparts a stable and comfortable quality to the table. Enclosed foot, through the smooth corner arc, the foot of the table hidden in the overall box, so as to bring a concise overall and smooth sense of flow. The entire plane of the foot also allows for customization possibilities, allowing the user to create a self-defined one Product.
